

MOVIE REVIEW ASSIGNMENT

In this assignment, you are going to write a review of any original film score that you want.

1. Select a movie that has an original score.
2. Watch the entire movie and listen to the score.
3. Take notes as you watch your movie and listen to the score.

Topics to write about (but not limited to)

Composer's style

Functions of Film Music used throughout the movie

Elements of Tension and Relaxation

What instruments are used throughout the movie

Is there any character association in the music

Overall impression of the score

How would you explain the score to someone that has not heard it before?

Write a 1000 word double spaced 12 point font review of your score.

Using Google Docs and share the document with me.

Read an example of a Film Score Review

Assignment Due Friday, December 20, 2019 End of class
