Torrington High School

“Play” it Forward!

The Torrington Public Schools Music Department is seeking donations of old musical instruments that community members may have tucked away in their garages or attics. Donations to schools can be tax deductible and would greatly benefit the children of Torrington. They put them in the hands of the school’s deserving students. These instruments will be put to good use for years to come. All Band and String instruments are welcome. Please see your Instrumental Music Director for more information. Thank you for supporting Music Education in Torrington.
